FAQ

What audio devices will work with my STREET by 50™ headphones?

Your headphones are compatible with any device that has a 3.5mm stereo jack, by simply plugging the 3.5mm audio cable directly into the audio source; examples include MP3 players, iPod®, iPhone™, iPad™, tablet PCs, CD players, some mobile devices, portable gaming devices and laptops.

How do I clean my headphones without damaging them?

Your headphones come with a special cleaning and polishing cloth for periodic dry cleaning. Never use any liquids, fluids, solutions or solvents on your headphones as you may damage them and void the warranty.

Are these “noise-cancelling” headphones?

STREET by 50™ headphones do not have active noise cancelling technology. Our unique shape and earcup design do provide passive sound isolation with lower background noise.
