WA76 LIMITING AMPLIFIER
Recall Sheet

The diagram shows the control panel for the WA76 Limiting Amplifier. It includes:

- INPUT** and **OUTPUT** knobs: Both are circular with a scale from 0 to 54 in increments of 6.
- ATTACK** and **RELEASE** knobs: Both are circular with a scale from 3 to 17 in increments of 2, with 'SLOW' and 'FAST' labels.
- RATIO** control: A vertical slider with markings at 4, 8, 12, and 20.
- METER**: A VU meter with a scale from 0 to 20, and a 'GR' (Gain Reduction) indicator.
