

21356

Distance rod with pneumatic spring

Product variant

21356-000-55 - black

Data

Height	from 1,025 to 1,545 mm
Height adjustment	spring-loaded bolt and locking screw
Material	steel
Rod combination	2-piece folding design
Special features	pneumatic spring with 17 kg power, for easy and safely lift up of speakers; gradual height adjustment system; mounting aid included
Tube end(s)	diameter 35 mm
Type	black
Weight	3.01 kg

Stable and durable steel tube combination to connect satellite systems. Height adjustable in 5 positions from 1025 to 1545 mm. With spring-loaded bolt and locking screw for secure fit. The integrated 17 kg pneumatic spring makes it much easier to extend and retract the loud-speakers in a controlled manner. The distance rod comes with a mounting aid, which makes it much easier to mount and remove the loudspeaker.
