45 cm - 4-pin straight - dimmable

EAN: 8717748488787

6 RGBW COB LEDs, providing the possibility to switch the output into the 4 available colours. The gooseneck light, total length 450 mm, is available with XLR 3 or 4-PIN connector and is GMA compatible. The LEDs are dimmable (by external devices such as mixing consoles and lighting desks).

Special features:

- Switchable 4 colours
- External dimmable
- Wide beam pattern
