

Using Roland Cloud Manager

Here's how to download and install the content files such as SP-404MKII App and Sample Packs using Roland Cloud Manager.

Installing Roland Cloud Manager

1. Download Roland Cloud Manager from Roland Cloud website to your computer.

Download the Roland Cloud Manager installer from the website shown below.

<https://roland.cm/RolandCloudManager>

2. Double-click the installer you downloaded to begin the installation.

Follow the onscreen instructions to install.

When you see the message "Installation has been completed", click the [Close] button.

3. Launch the Roland Cloud Manager that you've installed, and register an account.

Follow the onscreen instructions to register.

Purchasing a Lifetime Key for the contents

You must purchase a Lifetime Key by following the steps below to use paid contents.

To use free contents, refer to "Downloading content files".

1. Launch Roland Cloud Manager.

2. Click "Hardware Instruments" (Hardware) on the menu tab.

A list of hardware group appears at the top of the screen.

3. On the hardware group tab, click "AIRA & DANCE".

A list of hardware appears on the left side of the screen.

4. Click "SP-404MKII".

The contents list appears.

5. Click the (Add to cart) icon for the contents you wish to purchase.

This adds the contents to your cart.

6. Click the (Move to cart) button at the top right-hand part of the screen.

The cart screen appears.

7. Check the contents onscreen, and click "Proceed to checkout".

A payment screen appears in your Web browser. Proceed to payment, and close your Web browser when you're finished.

8. Return to the Roland Cloud Manager screen and click "Accept" in the "Purchase Complete" dialog box. This closes the message.

9. Click the (Download) icon for the contents you wish to download.

A dialog box for specifying the download destination folder appears.

10. Specify the folder to which you want to download the contents, and close the dialog box.

The content files are downloaded into the folder that you specified on your computer.

Downloading content files

1. Launch Roland Cloud Manager.

2. Click "Hardware Instruments" (Hardware) on the menu tab.

A list of hardware group appears at the top of the screen.

3. On the hardware group tab, click "AIRA & DANCE".

A list of hardware appears on the left side of the screen.

4. Click "SP-404MKII".

The contents list appears.

5. Click the (Download) icon for the contents you wish to download.

A dialog box for specifying the download destination folder appears.
