

CE Certificate of Conformity

number: 2026112

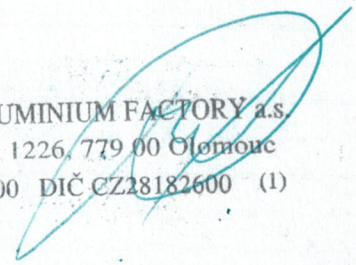

1. Product Identification Code	Segments in FA33 system - baseplates
2. Type, Structural System	FA33
3. Usage	Parts of supportive structural systems of temporary constructions for
4. Manufacturer	TAF - TRUSS ALUMINIUM FACTORY a.s., Hodolany 1226, 779 00 Olomouc-Hodolany, Czech Republic
5. Evaluation System	2+
6. Identification Number of Certification Organization	2451
Harmonised technical Norm	EN 1090-1:2009+A1:2011
7. Product Details:	
Toleration and Geometrical Information	EN 1090-3
Weldability	EN AW 5083 according EN 1011-4 and EN 1999-1-1
Fructural Toughness	Not required for aluminium products
Loading Capacity	NPD
Usage Deformation in Limit State	NPD
Fatigue Life	NPD
Fire Resistance	NPD
Fire Reaction	Material Classification: Class A1
Cadmium Release	NPD
Radioactivity Emission	NPD
Durability	Surface untreated
8. Structural Characteristics:	
Design	Production documentation of segment in FA33 systém
Production	According the segment specification and EN 1090-3 class EXC1

Product characteristics mentioned in points 1 and 2 are in compliance with characteristics listed in point 7. Manufacturer listed in point 4 takes all responsibility for issue of this "Certification of Conformity".

Manufacturer's Signature:

Date: 2.7.2026

Signature: Ing. Jakub Rozbořil
