sku: 050574

The Seagull Artist Limited Tuxedo Black EQ is truly the dark horse of the Artist line. With its intense all-around Tuxedo Black high-gloss finish and contrasting white trim, this guitar has a definite wild side waiting to be tamed. The slim 1.72" nut makes for an easy-to-play neck profile, while the guitar's resonant structural design helps produce pristine and defined tones. This Limited Edition model also includes a discrete LR Baggs on-board preamp system, a Richlite fretboard with custom three-part inlay at the 12th fret.
