5th Ave Uptown Custom Havana Brown

sku: 050963

Continuing on the 5th Ave philosophy of playability and style, the Uptown Custom has something different to offer. The unique pickup configuration of the Godin Kingpin P90 in the neck position and a Seymour Duncan '59 Humbucker in the bridge offers a completely versatile tone palette. The Havana Brown finish is the final piece to this amazing looking and sounding 5th Ave.
