Etude Left Clasica II

sku: 051861

The Godin Etude is the most popular model in the La Patrie lineup. The Etude's specifications match those of the Motif but with a full size body. Incredibly responsive thanks to the feather-light Custom Polished finish, this guitar features great dynamic range along with the harmonically rich sound that you usually find in a guitar several times the price.

**MADE IN
CANADA**
Since 1972
