

Multiac Grand Concert Deluxe

sku: 049479

The Multiac Grand Concert Deluxe offers a degree of sophistication and performance like no other in the realm of modern nylon guitars. This guitar represents a truly visionary Godin design, along with the culmination of a close collaboration with LR Baggs to develop a truly cutting-edge Custom Voiced preamp system. The Grand Concert Deluxe offers an acoustic sound from the bridge saddles that is crisp and clear, and the possibility to blend the Lyric mic for a tone that is pristine and able to capture the most musical and airy subtleties within the notes. Not to mention, the Lyric Mic allows the guitar's top to come to life for highly touch-sensitive percussive tapping and rhythms; perfect for Flamenco and all other flamboyant nylon-playing styles. Much like other Multiac models, the Deluxe provides a uniquely chambered design that is free of feedback, which enables the player to play freely and in control—even in the noisiest live environments. Other notable key features include a Two-Chambered Solid Mahogany Body, Solid Cedar Top, Richlite Bridge and Fretboard, a 2-inch Graphtech™ Nut, and a shimmering High-Gloss Natural Finish. The Grand Concert Deluxe; for music that is above and beyond the ordinary.
