Milos Side Nets for MR0 Sloping Roof System 8m, 6m

for 8 x 6 m

M4
Milos. Works better.

EAN: 8717748627575

The Side Nets for MR0 Sloping Roof System (8 x 6 m) are dark, semi-transparent mesh cloths designed to provide coverage against wind, rain and light, while maintaining airflow.

This set includes nets for both sides and the back of the system.

Combining truss brands must always be approved by a competent and suitably qualified third party. This party must write a risk assessment and carry out structural calculations. Use of non approved combinations is at the user's sole risk.

Special features:

- Designed for MR0 Sloping Roof System (8 x 6 m)
- Includes side nets and back net
- Semi-transparent mesh for wind, rain and light coverage
