

iSeries 2011 Lid Organizer designed by Think Tank

SKB Cases has teamed up with Think Tank Photo, the premier soft case manufacturer, to design and manufacture high quality lid organizers for the SKB iSeries injection molded cases. The 3i-LO2011-TT Lid Organizer is made to fit perfectly in the inside lid of the SKB iSeries 3i-2011-7 and 3i-2011-8 case.

This lid organizer features three separate laminated zippered clear mesh pockets for storage of cables, lens caps, or other small accessories, as well as one large laminated zippered clear mesh pouch for larger accessories. Behind the pockets is a polyester-lined tablet/small laptop top-load pocket. The organizer has a fully covered back panel that includes adhesive-backed hook-and-loop for secure placement in the lid.
