

Videohub Master Control Pro

When you need to access your whole router without sacrificing speed, then Videohub Master Control Pro lets you scroll your router sources and destinations with the easy to use spin knob control or via direct button entry. You can even see all routes on the beautiful LCD! Plus Videohub Master Control Pro can be configured to be a Videohub or 2110 NMOS controller. Powers via DC or the Ethernet connection!

\$895

Connections
