Made in China

80s Chorus is an analog chorus effects pedal with a BBD chip. The warm and smooth effect doesn't change the tone of the original signal and the pedal works with all different types of guitars, pickups and electronics. Higher rate and depth settings offer vintage lofi tones.

Specifications

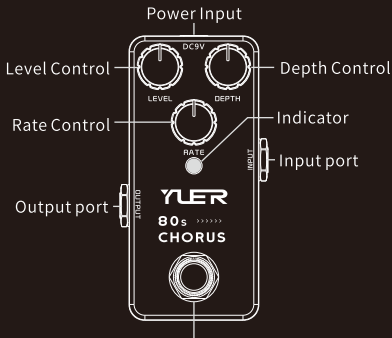

Dimensions: 92*49*46mm Weight: 160g

Input Impedance: 500KΩ

Output Impedance: 10KΩ

Working Voltage: DC9V (center minus)

Rated current consumption: 16mA

Footswitch Turn effects on or off
True Bypass switching Design
